Referral Program

Tell a friend! A referral from one of our satisfied clients is the greatest compliment we can receive, and we have a unique (and generous!) way of saying thank you!

Refer a Friend and Get $20 Bucks for Yourself and $20 for Them!

I have been doing some math (no, I didn't have to take my shoes and socks off) and I figure that I give advertising reps a ton of money when I would rather spend that money directly on my guests and clients. So I started to think about how to put that together and with the help of few guests I came up with a plan.

We figured out a way that I could reward you for being a loyal client and let you give your friends or family a treat in the process. When you refer someone and they order, we will establish a credit for you and a credit for them, each for $20.

Yes, you and the person you refer will get $20 each in FREE Catering! Cool Huh?

Simply fill in the information below of the folks you want to refer and we will do the rest, including tracking your referrals so you get your rewards.

Once Complete fax it to 1.800.886.2607

Respectfully yours,
